

QUALITY CANCER CARE: PATHWAYS TO CLINICAL EXCELLENCE IN CANCER NURSING

EONS15 CONFERENCE AT ESMO 2022 CONGRESS

September 10-12, 2022, Paris, France

TIME	DAY 1: September 10, 2022		TIME	DAY 2: September 11, 2022		TIME	DAY 3: September 12, 2022	
	TOPIC	SPEAKER		TOPIC	SPEAKER		TOPIC	SPEAKER
08:30 10:00	OPENING SESSION CHAIR: Johan de Munter, BE		08:30 10:00	EDUCATIONAL SESSION: Patient and occupational safety CHAIR: Gianluca Catania, IT		08:30 10:00	EDUCATIONAL SESSION: Professional and educational issues in cancer nursing CHAIR: Grigoris Kotronoulas, UK	
	Welcome by EONS	Johan de Munter, BE		Advanced nursing practice in cancer	Matthew Fowler, UK		RNCAST data about workforce issues	Anne Marie Rafferty, UK
	Welcome from Association Française des Infirmier(e)s de Cancérologie – French Oncology Nurses Society	Paascale Dielenseger, FR		Beside staffing topic, can we address the problem of nurses shortage post COVID?	Mark Foulkes, UK		Professional and educational issues in cancer nursing in Eastern European countries	Zeijko Vlaisarjevic, SR
	World Code against Cancer Framework: evidence-based recommendations for cancer prevention	Carolina Espina, FR		Cancer nurses and safety around hazardous drugs, outcome of European Oncology Nursing Society advocacy work	Helena Ullgren, SWE		ABC4Nurses - education programme based on Delphi study outcomes	Amanda Drury, IE
	Psycho-oncology in cancer nursing (title TBC)	Lesley Jean Fallofield, UK		CN30 / #1141: Three Stage Capacity - Consent Process for Systemic Anti-Cancer Therapy	Fiona Barrett, IRE		CN37 / #2130: Patient and public involvement in research: reflections and experiences of doctoral cancer nurse researchers in Europe	Grazyna Suchodolska, UK
	My Survival Story - What we can learn from each other to get through cancer	Martin Inderbitzin, CH		CN32 / #5068: Cancer nurse's experiences and perceptions of potential occupational exposure to cytotoxic drugs: Systematic Review utilising Framework Analysis	Karen Campbell, UK		CN39 / #3988: Development of a reference model for Patient and Public Involvement in oncology research in French-speaking Switzerland	Sara Colameri, CH
	Awards session (Lifetime achievement & RECaN Awards)	Johan de Munter, BE		CN33 / #5584: How to work with swipstests in an oncology outpatient ward – An occupational safety project	Susanne Wallberg, SWE		CN43 / #4692: Addressing the professional and educational workforce: A collaborative, strategic, UK-wide approach	Mark Foulkes, UK
	Q&A discussion	Chair / All		CN31 / #1508: Project Bedside handover 2022 (A tool for health care professionals to increase patient participation in bedside report)	Lace Matarlo Tolvbrand, SWE		CN38 / #3952: The Effect of a Mindfulness-Based Stress Reduction Program on the Pediatric Hematology-Oncology Nurses' Professional Quality of Life and Perceived Stress Level	Tugba Pehlivan, TR
				Q&A discussion	Chair / All		Q&A discussion	Chair / All
BREAK								
10:15 11:45	EDUCATIONAL SESSION: Health promotion, prevention and screening CHAIR: Amanda Drury, IE		10:15 11:45	EDUCATIONAL SESSION: Palliative and end-of-life care CHAIR: Johan de Munter, BE		10:15 11:45	YOUNG CANCER NURSES SESSION Empowering young cancer nurses academically, clinically and career progression CHAIR: Bethany Maynard, UK	
	EONS focus on cancer prevention	Lena Sharp, SWE		Cultural determinants of end of life, speaker	Gülcan Bağovan, TR		Building resilience among young cancer nurses	Nikolina Dodlek, HR
	Physical activity and cancer	Marianne Himberg, FIN		Geriatric oncology intergrative view on palliative care	Wendy Oldenmenger, NL		Supporting young cancer nurses academically	Remziye Semerci, TR
	Prevention and early detection for hereditary breast and ovarian cancer syndromes	Emily Donovan, IE		Navigating parental cancer when a mum or dad is at end of life	Cherith Semple, UK		Career progression among young cancer nurses	Bethany Maynard, UK
	CN12 / #3222: Impact of diet on immune checkpoint blockade: nurse-directed dietary intervention	Julie Malo, CAN		CN24 / #3113: The Perceptions of Healthcare Professionals on the Provision of Palliative and End-of-Life Care in Prisons	Grigoris Kotronoulas, UK		CN41 / #4414: Comparison of Professional Quality of Life, empathy and emotional intelligence in cancer health care professionals: a study of cancer nurses, radiation therapists and oncologists	Patricia Hunt, IRE
	CN13 / #3567: Nutricore: nutritional screening in colorectal cancer patients previous to cancer-specific treatment	Raquel Legido-Diaz, ESP		CN25 / #3583: Bereaved parents' experience of adapting to life after the death of a parent with cancer who has dependent children	Jeffrey Hanna, UK		CN42 / #5037: The impact of an Education WhatsApp Group to support nurses working in an acute oncology/haematology setting during the Covid-19 pandemic	Róisín G Lawless, IRE
	CN15 / #5445: Individual Factors Leading to Delay in Diagnosis in Patients with Colorectal Cancer and Their Illness Perceptions	Ümran Ege Tannuklu, TR		CN27 / #3742: Exploring the quality of dying and death of patients with cancer undergoing Palliative Care (PC)	Stylanos Katsaragakis, GR		CN40 / #4284: Nurses' experiences during the COVID-19 pandemic: Multicenter mixed-methods study of coping and resilience strategies	Lucia Cadorní, IT
	CN14 / #3631: Cancer prevention awareness among Croatian AYA population	Nikolina Dodlek, HR		CN23 / #644: The End of Life - A Topic We Avoid: The Croatian National Cancer Patient Experience Survey	Andreja Šajnic, HR		CN26 / #3525: Nurses caring for patients at the end of life report affected psychosocial work environment when relocated during the Covid-19 pandemic - A cross sectional study	Cecilia Olsson, SWE
	Q&A discussion	Chair / All		Q&A discussion	Chair / All		Q&A discussion	Chair / All
BREAK								
12:00 13:30	SYMPOSIUM Experience of living with Early Breast Cancer, treatment and beyond: What are we missing (Supported by AstraZeneca, Eli Lilly, Novartis)		12:00 13:30	SYMPOSIUM Pain management in people with cancer (Supported by Mundipharma)		12:00 13:30	SYMPOSIUM Person-centred interprofessional practice in nutrition – from dream to reality (Supported by Baxter and Nutricia)	
	Opening remarks	CHAIR: Theresa Wiseman, UK		Opening remarks	CHAIR: Nikolina Dodlek, HR		Opening remarks	CHAIR: Virpi Sulosaari, FIN
	FILM (pre-recorded): How people experience of early breast cancer, impact of diagnosis and treatment	Amanda Shewbridge, UK		Nursing roles in cancer pain management	Giannos Toubis, CY		Cancer nurses' role and use of clinical guidelines in the nutritional care of people with cancer (EONS)	Sara Torcato Parreira, PT
	Evidence re-urmet need for people with early breast cancer in Europe	Chair / All		Barriers to pain management in cancer	Lavinia Magee, UK		Medical oncologists' role and use of clinical guidelines in the nutritional care of people with cancer (ESMO)	Jann Arends, DE
	FILM (pre-recorded): How people experience of early breast cancer, and of treatment and living well	Chair / All		Pain management in home settings	Jasminka Milčević, HR		Oncology dietitians' role and use of clinical guidelines in the nutritional care of people with cancer (EPAD)	Nicole Ericsson, DE
	Discussion concerning patient film and evidence	Chair / All		Q&A Discussion & Conclusions	Chair / All		The use of clinical guidelines in multidisciplinary nutritional care of people with cancer (ESPEN)	Alessandro Laviano, IT
	Recommendations for future practice	Merel van Klinken, NL; Theresa Wiseman, UK; Amanda Shewbridge, UK; Celia Díez de los Ríos de la Serna, ESP					Patient perspective: how can we provide a personalised response to address the individual nutritional needs of people with cancer	Robert Greene, NL
	Conclusion remarks	Chair					Panel discussion & Conclusions	Chair / All
BREAK								
13:45 14:45	EDUCATIONAL SESSION: eHealth and digital innovations CHAIR: Wendy Oldenmenger, NL		13:45 14:45	COLLABORATIVE SESSION EONS-SIOP: Cancer accommodation and disruption in young lives CHAIR: Johan de Munter, BE		14:00 15:30	SYMPOSIUM Cancer care: there is no place like home? (Supported by Roche)	
	Efficiency of eHealth and digital innovations in cancer care	Andreas Charalambous, CY		A life interrupted: experiences of living with melanoma	Jack Brodie, Edinburgh, UK and Wendy McInally, Edinburgh, UK		Opening remarks	CHAIR: Mary Tanay, UK
	Development and implementation of virtual pre-chemotherapy consultations	Catherine Oakley, UK		Approach to febrile neutropenia in children and young adolescents	Rejin Kebudi, TR		Unique national experimentation: Home care and monitoring of cancer patients treated with immunotherapy	Christelle Galvez, FR
	CN1 / #1716: Patient-reported symptom monitoring improves health-related quality of life in lung cancer patients; the SYMPRO-Lung trial	Nicole Billing, NL		Q&A discussion	Chair / All		Roles and responsibilities of nurses in the delivery of cancer care and treatments at home	Gemma Jones, UK
	CN2 / #5349: A Public Involvement Process to Enhance Diversity in Technology Clinical Trials	Leanna Goodwin, UK					An oncology digital placement: preparing the nursing workforce in community care	Alison Sarnesh, UK
	Q&A discussion	Chair / All					Q&A Discussion & Conclusions	Chair / All
BREAK								
15:00 16:30	SYMPOSIUM Cancer nursing considerations for comprehensive care in CAR T-cell therapy (Supported by Bristol Myers Squibb)		15:00 16:30	SYMPOSIUM Nursing Considerations with EGFR Inhibitors in NSCLC (Supported by Janssen-Cilag International NV)		15:45 16:30	CLOSING SESSION: Clinical Excellence in Cancer Nursing CHAIR: Virpi Sulosaari, FIN	
	Opening remarks	CHAIR: Johan De Munter, BE		Opening remarks	CHAIR: Silvija Piskorjanac, HR		EONS Cancer Nursing Framework update	Virpi Sulosaari, TR
	CART, IEC, BITE – what does the new technology mean for patients with solid malignancies	Sylvie Rottey, BE		Targeted therapies for EGFR NSCLC - what's new?	Sandra Karabatic, HR		Introducing the European College of Cancer Nursing	Wendy McInally, UK
	Prehab to rehab for patients with CAR T cell therapy - optimising health and wellbeing	Maaike de Ruijter, NL		Understanding Targeted Therapy for NSCLC - cancer nurses knowledge, attitude and practice	Silvija Piskorjanac, HR		Novice Research Dissemination Award	Silvia Ucciorelli, IT
	What supportive care do patients need?	Matthias Hellberg-Naegele, CH		Diagnosing a person with a mutation positive lung cancer	Karen Clayton, UK		ECND2022 Award	João Alberto Barros Afonso, CH
	Q&A Discussion & Conclusions	Chair / All		What does a diagnosis mean	Joanna Vick, UK		People's Choice Poster Award	TBA
				Q&A Discussion & Conclusions	Chair / All		Q&A Discussion & Farewell	Chair / All
BREAK								
16:45 17:45	COLLABORATIVE SESSION EONS-MASCC: Supportive care: adapting to advances in oncology for better patient outcomes CHAIR: Mary Tanay, UK		16:45 18:15	EDUCATIONAL SESSION: Supportive care and symptom management CHAIR: Remziye Semerci, TR				
	Supportive Care in Cancer Makes Excellent Cancer Care Possible! - recent developments (MASCC)	Elaine Tomlins, UK		Sexual wellbeing in cancer care	Lorraine Grover, UK			
	Cognition, sleep and the daily functioning of patients with cancer: A time for multi-modal management interventions	Grigoris Kotronoulas, UK		Malta: How cancer carers live with their own chronic conditions	Daren Chircop, MT			
	CN61 / #5194: Patients' experiences of a supported self-managed patient pathway in breast cancer (FRAGMATIC): Interview results	Lucy Matthews, UK		What really matters to you? A Delphi study on priority patient-reported outcomes to evaluate when caring for people with advanced liver or advanced renal cancer	Celia Díez de los Ríos, ESP			
	CN58 / #2239: Mapping the measurement of lymphoma survivors' unmet needs and quality of life outcomes: evidence for a lymphoma-specific questionnaire	Vanessa Boland, IRE		CN60 / #5022: OptiBra study - an RCT, Optimal postoperative bra support after breast cancer surgery	Malin Backman, SWE			
	Q&A discussion	Chair / All		CN59 / #3982: A scoping review to establish the utility of Patient Reported Outcome Measures in Blood Cancer	Suriya Kirkpatrick, UK			
				CN62 / #5534: Patient and Public Involvement in Cancer Research: The Needs and Perceptions of Older Adults Living with and After Cancer	Amanda Drury, IRE			
				CN63 / #5134: Intervention pathways for low anterior resection syndrome after sphincter-saving rectal cancer surgery: a systematic scoping review	Eva Pape, BE			
				Q&A discussion	Chair / All			
18:00 19:00	EONS Meet & Greet
